FIRE STATION # 1 – 119 Princess St. W.**

HELP!!! ONLY 3 DAYS TO GO!

WE ARE MORE THAN DESPERATE at this point! Please note, we have no funding other than the generous citizens and companies of North Bay and surrounding areas.

**THANK YOU! WE NOW HAVE ALL THE
PUMPKINS WE REQUIRE**

Thanks to those who have responded to our plea's, we now have 5 ½ bins of the 12 bins required to pull this off.

Unfortunately, we only have 3 days to go! We really need lots and lots of wrapped candy or gum, chips, cheezies, etc. Every little bit helps!

Only 3 days to go to Hallowe'en and we HAVE 5 ½ BINS FULL OF CANDY & GOODIES --- WE NEED 12 FULL BINS!

Cash donations are also very much appreciated and go toward the purchase of treats for the kids.

To our media friends:

You have gone above and beyond for us and we appreciate it very much.

Would you do it one more time for us, and really impress upon your listeners/viewers/readers how important it is for the kids.

Thank you
